To Whom It May Concern:

I am writing this letter of recommendation for Stripe-A-Zone. The work they did for us was excellent. We requested black numbers with a yellow background so the numbers would be easy to read during the day or at night for our customers. They used a high quality of traffic paint to get the results we needed. Their team completed the work in a timely manner and we were very pleased. We will use them in the future for other projects in downtown Baton Rouge as well.
