Dear Wil:

We are very pleased with the work that Stripe-A-Zone accomplished for us recently. It was a pleasure working with your personnel. They were on time, knowledgeable, professional, competent, and extremely easy to work with. In addition to the striping of a new apron, this work required the remarking of the runway numbers. Your crew's determination to get the job done in a timely manner and with high standards kept our runway closure time to a minimum.

We look forward to working with you and your team again in the future. We will definitely keep you advised of any future striping projects.

Very truly yours,
