Dear Mr. Gunter,

The City of Bridgeport would like to extend our sincere appreciation for the respect and dedication that was given to our citizens and merchants during the Halsell Street Striping Project. Will Wilson took the time to meet with each individual merchant to discuss the entire process with them before the project began and took the time as the work was being performed to answer any questions that they may have had. The rest of the staff on the project should also be commended for the work that was done.

Halsell Street looks better than it has in years and the citizens are enjoying all of the new parking spaces. The work was not only completed in a timely manner, it looks great.

Thank you for doing an exemplary job in not only the quality of your work, but also the professionalism and courtesy from your staff.

Sincerely,

A handwritten signature in black ink that reads 'Don Majka'. The signature is fluid and cursive, with a long horizontal stroke extending to the right.
