Members of the Stripe-a-Zone Team:

My name is Fritz Danner and I am a superintendent for Western Builders. My primary responsibility is to handle Western's warranty obligations for our various projects. During the week of August 13<sup>th</sup>, 2007, a crew from Stripe-a-Zone, lead by Cheto Gomez, arrived at Wal-Mart #900 in Childress, Texas to complete items on a One-Year-Warranty-Punch-List which was generated by a Wal-Mart Warranty Inspection Officer.

The work done by this crew was excellent. Cheto and his men were thorough, executing each punchlist item with care and skilled craftsmanship. When I arrived in Childress on the 23<sup>rd</sup> from a job in Oklahoma, I was impressed and very happy to see each striping task finished in crisp detail with adequate paint. I just wanted to thank you, Cheto, for a job well done, and to thank the Team at Stripe-a-Zone for their efforts on behalf of the men in the field.

Sincerely,
