On behalf of CitiScape at Essen apartments, I would like to commend Stripe-A-Zone for the painting of our parking lots.

We are a 216-unit complex in the heart of Baton Rouge, Louisiana. Chris Deshotel and his employees completed the job in a shorter timeframe than estimated and we had no problems with residents, cars, or anything of the like. Stripe-A-Zone made our parking lots look great and worked with great professionalism. Even our residents noticed and commented on how great the improvement was.

I would recommend this company to anyone and will definitely use them again when needed.
